Remarks

The Applicant acknowledges with thanks the Advisory Action filed by the Examiner on October 6, 2005. In that Action, the Examiner stated that the affidavit filed under 37 C.F.R. § 1.131 that was attached to the Applicant's Reply was incomplete. Specifically, the Examiner noted that the Declaration of David Walter, which had been attached as Exhibit B to the September 26, 2005 Reply was missing. The Applicant submits that the complete Reply and Request for Reconsideration, including the Declaration of David Walter was filed on September 26, 2005. The Applicant further submits that the Examiner's failure to consider the affidavit of David Walter was caused through no fault of the Applicant and was due to mishandling of the Applicant's September 26 Reply in the Patent Office. Therefore, pursuant to MPEP § 1.8(b), the Applicant files this Supplemental Amendment, including the Declaration of David Walter, and requests that the Examiner consider the Declaration.

In support of these contentions, the Applicant has attached the following evidence. Exhibit A is the Auto-Reply Facsimile Transmission sent by the Patent Office to the Applicant's attorney. This document clearly shows that an 11 page fax document was received by the Patent Office on September 26, 2005. The Applicant has attached as Exhibit B the transmission receipt generated by the Applicant's attorney's facsimile machine. This document clearly shows that an 11 page fax document was sent to the Patent Office on September 26, 2005. The Applicant has attached as Exhibit C the Declaration of Katie Ireland. Ms. Ireland is an employee of the Applicant's attorneys, and was the person who initiated the facsimile transmission to the Patent Office on September 26, 2005. Ms. Ireland affirms that she sent an 11 page fax document to the

p.4

Patent Office on September 26, 2005 and that the Declaration of David Walter was a part of that 11 page fax document. Finally, the Applicant has attached, as Exhibit D, the Declaration of David Walter.

In light of the forgoing, the Applicant believes it is incontrovertible that the complete Reply and Request for Reconsideration, including the Declaration of David Walter, was sent on September 26, 2005. The Applicant cannot be penalized for the mishandling of this document by the Patent Office resulting in the Examiner's inability to consider this document. Therefore, the Applicant respectfully requests that the attached Declaration of David Walter (Exhibit D) be attached to the Reply and Request for Reconsideration filed September 26, 2005, and that the Examiner consider the Declaration of David Walter as it supports the allowance of the present application, and that the Examiner issue an amended Advisory Action including his consideration of the attached Declaration of David Walter. It is also respectfully submitted that, in consideration of the attached evidence, amended claims 61-98 are in condition for allowance, and such allowance is earnestly solicited.

Date: October 25, 2005

Respectfully submitted,
